

Capability Statement

Janitorial Cleaning

In business since 1991, Horizon Services is a company with strong experience in janitorial, maintenance, and Post Construction Services, offering high quality cleaning services for competitive prices. When Horizon received certification from CIMS (Cleaning Industry Management Standard) with honors in November 2007 we became one of the first contractors to be recognized for our commitment to cleaning and business excellence. Horizon has the capability of serving multi-site customers. We also have experience in cleaning laboratory, manufacturing, healthcare, education distribution, finance, retail, food service, and governmental buildings.

Mission:

Consistent, efficient cleaning and labor services to allow our customers to focus on their business, not their building.

Vision:

By continuously building our customer, employee, and vendor relationships, Horizon will grow its services and geographic coverage, resulting in profitability and stable growth. We will continuously grow and improve, providing better services to more customers.

Solutions:

Our maintenance experts create custom designed maintenance solutions that our team provides for the following services:
